

IPI-V2 SERIES

Vulcan™ Series 4MP IP Interior Cameras

CAMERA FEATURES ▼

The Vulcan™ Series IPI-V2 interior cameras from AngelTrax feature a lens housing that is adjustable vertically at installation to obtain wide angle views of the vehicle's interior and passengers. Equipped with infrared, automated white balance and digital noise reduction, the IPI-V2 cameras are capable of capturing astonishingly clear images day or night. The IPI-V2 cameras are compatible with Vulcan Series MDVRs and MNVRs.
