

IPX-V2 SERIES

Vulcan™ Series 4MP IP Exterior Cameras

CAMERA FEATURES ▼

The Vulcan™ Series IPX-V2 exterior cameras from AngelTrax feature a lens housing that is adjustable vertically at installation to obtain the desired views of the vehicle's exterior and surrounding views. Equipped with infrared, automated white balance and digital noise reduction, the IPX-V2 cameras are capable of capturing astonishingly clear images day or night. The IPX-V2 cameras are compatible with Vulcan Series MDVRs and MNVRs.
